preach the good news!"

**PAULA (EAST ASIA):** Last year, more uncertain in her faith, her "greatest fear" in life was that God would send her on an overseas missions trip. This year she's going to share her story of how God "meets us where we are!"

**SHARON (ETHIOPIA):** "He is constantly reminding me that He is at work all the time, everywhere, whether or not I decide to get involved... But he is also giving me opportunities to be an instrument in his great plan!"

**CONGRATS GRAD! (CERRITOS):** So excited for Myisha Cayro (r), who for the last four years has served faithfully in our ministry at Cerritos College! An accomplished singer & DJ, she will go on to pursue a music career.
